Speaker:

Melanie Herman, Nonprofit Risk Management Center

Summary:

Learn more basic risk management techniques and how the Partnership's online tool created in coordination with the Nonprofit Risk Management Center can help in applying

these techniques. Ms. Herman will offer a guided trek through a comprehensive risk management framework outlining key concepts and techniques that can be used in concert with the online tool. Attendees will learn not only about foundational aspects of risk management but how to integrate these techniques into the management of their organization with the aid of the Partnership's online risk management tool.

Biography:

Melanie Herman is a prolific author of more than a dozen comprehensive (and comprehensible!) guides on various risk management topics, Melanie has delivered countless workshops, seminars, and keynote presentations for organizations simply unwilling to leave success to chance. Melanie earned a Bachelor of Arts Degree in Urban Affairs from American University (Washington, DC) and a Juris Doctor from George Mason University(Arlington, VA). She is a member of the District of Columbia Bar.

On August 1, 2012 Melanie was named to The NonProfit Times Power & Influence Top 50, the 15th annual list of "the 50 most influential executives in the sector for the previous 12 months." This annual tribute honors leaders who, according to the publication's editor in chief, "...have nurtured their core truths, found a few more and are working to improve life across the globe." This is Melanie's fourth appearance on the NPT Power & Influence Top 50: she was first recognized in 2007 and then again in 2008 and 2011.

Attendee Takeaways:

- Basic concepts in risk assessment
- Key features of the new tool
- How to use the new risk assessment tool

Who Should Attend:

- Executive Leadership

- Program Managers

- Those interested in risk

This publication was created by National Association of Community Action Agencies -Community Action Partnership in the performance of the U.S. Department of Human Services, Administration for Children and Families, Office of Community Services Grant Number 90ET0428. Any opinion, findings, and conclusions, or recommendations expressed in this material are those of the authors and do not necessarily reflect the views of the U.S. Department of Health and Human Services, Administration for Children and Families. This training is made free of charge to CSBG grantees as part of the National T/TA Strategy for Promoting Exemplary Practices and Risk Mitigation for the CSBG Program.
