

PARs Webinar

Posted by Cashin Yiu - 04 Mar 2014 13:22

When: March 18, 2014 2:00 - 3:30 Eastern

Speaking: Janet Johnson, Wipfli LLP

About: Personnel Activity Reports (PARs) are a hot topic today. Although the requirements for PARs have been in existence since the 1980s, they are receiving increased scrutiny by grant monitors. In this session, we will discuss the requirements - who must have a PAR and who doesn't. We will give you many examples of PARs and talk about the relationship between PARs and cost allocation. We will also discuss the future of PARs - what will change with the implementation of the new Super-Circular.

If you have questions about PARs - who needs them; how to design them; and most important, how to stay out of trouble - don't miss this webinar.
