

DRAFT IM from OCS

Posted by Cashin Yiu - 25 Mar 2014 16:29

The federal Office of Community Services has released its DRAFT Information Memorandum (IM) on the implementation of Organizational Standards. Please see www.communityactionpartnership.com/storage/cap/documents/OSCOE/csbg_organizational_standards_im_draft.pdf to access the DRAFT IM. The Network has been anticipating this important IM and we encourage you to read it carefully and distribute it to your boards and staff. This IM addresses how the Organizational Standards will be implemented by States under the

current CSBG Act.

By issuing it in DRAFT, OCS is allowing for Network-wide feedback which will need to be submitted to LaToya.Smith[@]acf.hhs.gov by April 25, 2014.

The Partnership will be hosting a free national webinar on the DRAFT IM soon, so please keep an eye out for this announcement. Additional information on the Organizational Standards and a copy of the document submitted to OCS in July, 2013 can be found at www.communityactionpartnership.com/storage/cap/documents/2013/org_standards_8-1-13.pdf
